

Cerex Part Numbers

<u>Part #</u>	<u>Description</u>
---------------	--------------------

913-0001	MAX Cell Mass Sensor System, complete with 25 mm side port sensor
913-0002	MAX Cell Mass Sensor System, complete with 175 mm immersion depth sensor, 19mm
913-0003	MAX Cell Mass Sensor System, complete with 275 mm immersion depth sensor, 19mm
913-0004	MAX Cell Mass Sensor System, complete with short stem 25 mm side port sensor
913-0005	MAX Cell Mass Sensor System, complete with 19 mm side port sensor for BioFlo 4 (NBS)
913-0006	MAX Cell Mass Sensor System, complete with 25 mm side port sensor for Sartorius (formerly Braun) fermentors
S-0011	Side port mount 25 mm sensor
S-0012	175mm immersion depth sensor 19mm OD
S-0013	275mm immersion depth sensor 19mm OD
S-0014	Side port mount 25 mm sensor, short stem
S-0015	Side port mount 19 mm sensor for BioFlo 4 (NBS)
S-0016	Side port mount 25 mm sensor for Sartorius (formerly Braun) fermentors
B-0001	Brush, sensor
C-0011-L	Custom length RS232 cable, 3 meters (additional cost for longer lengths)
C-0013-L	Custom length sensor cable, 3 meters (additional cost for longer lengths)
C-0014-L	Custom length analog cable, 3 meters (additional cost for longer lengths)
E-0001	Fuze, power entry module

- F-0001 19mm to 25 mm adapter sleeve
- F-0002 19mm head plate fitting, Sartorius (formerly Braun)
- F-0003 19 mm head plate fitting, New Brunswick Scientific
- F-0004 25mm head plate fitting
- M-913 Users guide
- P-0001 Plunger, magnetic
